

In Memoriam.

Rhoda Louise Cook was born Sept. 15, 1878, and departed this life Dec. 25, 1914. She was married to Eli Bolick on Oct. 20, 1912.

She professed religion and joined the Baptist church at the early age of 13 years, and lived a consistent christian life until the summons came for her to cross over the myetic river and join the loved ones waiting for her in that beautiful country where death never comes.

Rhoda will be missed in the community where she lived. She was kind and gentle and always greeted those with whom she associated, with a smile and a kind word. She leaves a little baby girl, who came into the home just 12 days before she died. It is sad to think that this little babe is destined never to know a mother's love, or feel the warmth of a mother's kiss.

Our hearts go out in sympathy to the bereaved husband, father, brother and sisters, and we would commend them all to Christ, the great friend of the sorrowing.

LUNDA CASTLE.

Hack Line Changes Hands.

Lenoir News.

As indicated in a recent issue of The News, Mr. A. W. Dula has bought the Franchise, Charter rights and all belongings of the hack Line between Lenoir and Blowing Rock, known as the Blowing Rock Line. The transfer of the property have been duly made and Mr. Dula is now in charge. The Line has just been organized under the new ownership with officers as follows: A. W. Dula, President and General Manager; J. W. Whisnant Vice President and Attorney; A. G. Ford General Passenger Agent; J. R. Todd Traveling Passenger Agent, and T. F. Seehorn Secretary and Treasurer. The main office of the Line will be Lenoir, with a garage and office at Blowing Rock. The line will be fully equipped and with good vehicles will be in better condition to handle the traffic to and from the mountains next season than ever before.

Women of Sedentary Habits.

Women who get but little exercise are likely to be troubled with constipation and indigestion and will find Chamberlain's Tablets highly beneficial. Not so good as a three or four mile walk every day, but very much better than to allow the bowels to remain in a constipated condition. They are easy and pleasant to take and most agreeable in effect. Obtainable everywhere.

When women get the ballot, stump speakers will have to speak on what we are going to wear, rather than on how to get it to wear.

Constipation and Indigestion.

"I have used Chamberlain's Tablets and must say they are the best I ever used for constipation and indigestion. My wife and I used them for indigestion and they did her good," writes Eugene S. Knight, Wilmington, N. C. Obtainable everywhere.

Let us take advantage of our opportunities lest we become an opportunity for others.

A little fire is quickly trodden out; which being suffered, rivers cannot quench.—Shakespeare.

Owners of Ointments for Catarrh That Contain Mercury

As mercury will surely destroy the sense of smell and completely derange the whole system when introduced through the mucous surfaces. Such articles should never be used except on prescription from reputable physicians, as the damage they will do is too great to be good you can possibly derive from them. Hall's Catarrh Cure manufactured by F. J. Cheney and Co. Toledo, Ohio contains no mercury and is taken internally acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and does not act on the bowels. Sold by Druggists. Price 75 cents per bottle. Take Hall's Family Pills for constipation.

The best evidence that the shock of war has spent itself is the fact that the farmers are depositing again. The Bank of Stokes County reports that at both its Danbury and Walnut Cove offices good business is coming in. Not only old depositors are increasing their bank accounts, but many certificates are being written for new certificates. This means the right kind of spirit, and is a pretty good sign that money will be easy for 1915.—Danbury Reporter.

That Cold Needs Attention

No use to fuss and try to wear it out. It will wear you out instead. Take Dr. King's New Discovery, relief follows quickly. It checks your cold and soothes your cough away. Pleasant, antiseptic and healing. Children like it. Get a 50 cent bottle of King's New Discovery and keep it in the house. "Our family Cough and Cold Doctor," writes Louis Chamberlain, Mauchester, Ohio. Money back if not satisfied, but it nearly always helps.

Some folks are happier thinking in dollars.

WHY SO WEAK?

Kidney Troubles May be Sapping Your Life Away. Boon People Have Learned This Fact.

When a healthy man or woman begins to run down without apparent cause, becomes weak, languid, depressed, suffers backache, headache, dizzy spells and urinary troubles, weak kidneys may be the cause. The slightest symptom of kidney trouble is too serious to neglect. Doan's Kidney Pills have earned their fame by their effectiveness in strengthening the kidneys and keeping them well. Can Boon readers demand further proof of their merit than the following statement:

Mrs. Fannie Probst, Twelfth Street and Second Ave., Hickory, N. C. says: "I suffered a great deal from nervous and dizzy spells and my head and back ached. The kidney action was irregular. I didn't sleep well and got up in the morning feeling tired. Doan's Kidney Pills made me well and strong. I am pleased to confirm the endorsement I have given Doan's Kidney Pills before."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Probst recommends. Foster-McBarn Co. Props., Buffalo, N. Y.

There are many men who can tell how a newspaper should be run—over a precipice.

Hopeless Lung Trouble Cured.

Many recoveries from lung troubles are due to Dr. Bell's Pine-Tar-Honey. It strengthens the lungs, checks the cough and gives relief at once.—Mr. W. S. Wilkins, Gates, N. C., writes: "I used Dr. Bell's Pine-Tar-Honey in a case given up as hopeless and it effected a permanent cure. Get a bottle of Dr. Bell's Pine-Tar-Honey. If your cough is dry and hacking, let it trickle down the throat, you will surely get relief. Only 25c. at your druggist."

A man's plainest duty is not always to those who have the readiest access to his ear.

DISTRESS IN THE STOMACH.

There are many people who have a distress in the stomach after meals. It is due to indigestion and is easily remedied by taking one of Chamberlain's Tablets after meals. Mrs. Henry Padgham, Victor, N. Y., writes: "For some time I was troubled with headache and distress in my stomach after eating, also with constipation. About six months ago I began to take Chamberlain's Tablets. They regulated the action of my bowels and the headache and other annoyances ceased in a short time." Obtainable everywhere.

Look about you; don't be the sort of person who crosses the stream in search of water.

All in The Same Boat.

(President Wilson.)

The future is clear and bright with promises of the best things. While there was agitation and suspicion and distrust and bitter complaint of wrong, groups and classes which were at war with one another did not see that their interests were common and suffered only when separated and brought into conflict. Fundamental wrongs once righted, as they may now easily and quickly be, all difficulties will clear away. We are all in the same boat, though apparently we had forgotten it. We now know the port for which we are bound. We have and shall have more and more, as our understanding ripens, a common discipline of patriotic purpose. We shall advance, and advance together, with a new spirit, a new enthusiasm, a new cordiality of spirited co-operation. It is an inspiring prospect. Our task is henceforth to work, not for any single interest, but for all the interests of the country as a united whole.

The future will be very different from the past, which we shall presently look back upon, I venture to say, as if upon a bad dream. The future will be different in action and different in spirit, a time of healing, because a time of just dealing and co-operation between men, who are equal before the law in fact as well as in name.

Your attacks of Lumbago are not nearly so hopeless as they seem. You can relieve them almost instantly by a simple application of Sloan's Liniment on the back and loins.
